I agree. She is quite likely to ask about Allenco so that one is a priority

Brent & Kathleen – I reviewed Susan Shinkman’s email and do not think there’s a need to prepare a topic paper for matters related to LA Stormwater. AllenCo, however, could be worthy of a short paper, but as of a few weeks ago, they remained shut-down. I can get an update on the status of AllenCo just to be sure and prepare a paper for the subcommittee meeting.

Kathleen –

Attaching as a starting point are some one-pagers developed for a recent meeting the Administrator had with Los Angeles County Supervisor Hilda Solis that has the topics of **Exide, Porter Ranch, Los Angeles Stormwater and I-710 NEPA**. Also attaching some short Hot Topic write-ups for the Administrator's last visit to Region IX that include mostly Northern California and Bay Area topics. Nothing recent on Allenco to share with you.

Assuming from the incoming request from Susan Shinkman in OECA that your office/managers will be sending any final materials in by the requested Tuesday, June 21st deadline, however, if you need my assistance, please let me know.
Thanks.

Sen Boxer is on this committee and as we know, she has had an interest in lots of things. Brent, I'm hoping you have a starter list of hot topics that the Senator may be interested in? Exide, Porter Ranch, AllenCo come immediately to mind.

Subject: Senate Hearing on EPA Enforcement

Importance: High

Hello Everyone -- on Wednesday, June 29th, Cynthia will testify on enforcement and Next Gen before the Subcommittee on Superfund, Waste Management and Regulatory Oversight, of the Senate Environment and Public Works Committee. The scope of the hearing is expected to be broad - its purpose is to obtain testimony from EPA about its enforcement and compliance programs including OECA's NEIs, results, Next Gen compliance and OECA's role in the regulatory process, among other topics. OCE is working with OAP to provide background materials for Cynthia.

Where we need your particular assistance is preparing Cynthia for any significant cases or issues that the Senators on the Subcommittee may raise. For example, have you received a Congressional from any of the Subcommittee members related to an enforcement matter? Is there an issue or a case arising in a Senator's state that you know is of interest to that Senator? The list of Subcommittee members is below.

If you do have a case or issue to suggest, please send any already existing paper, or a short 1-pager, **to me and Carol Holmes by COB Tuesday, June 21st**. Please do not hesitate to contact me or Carol if you have any questions. I apologize for the quick turn around, but we just got notice about the scope of the hearing.

Thanks,

Susan
